

Your Results and Feedback

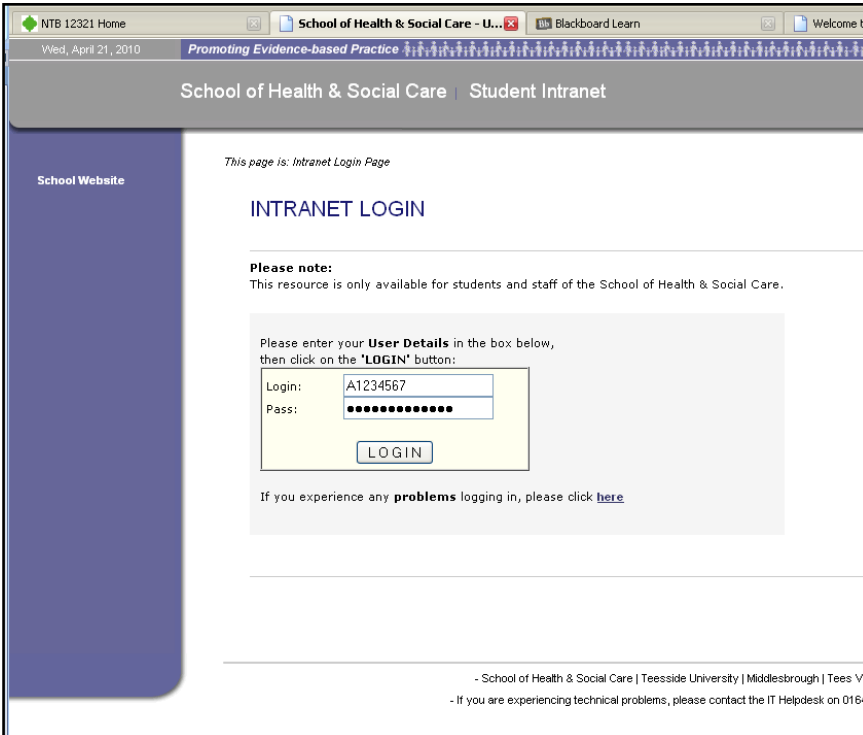

There are two places online that your feedback and results will be posted. The first is the **School of Health and Social Care Intranet**. You will obtain feedback from your tutor through this site as well as **UNRATIFIED** marks (i.e. marks that have not been through a programme board and are remain provisional until then). Feedback and unratified result should appear on the Intranet within 4 weeks of assignment submission.

Once the programme board has met to agree then the marks are confirmed, or **RATIFIED**. They will then be posted on another system called **E-Vision**.

Obtaining Assessment Feedback And Results Over the Internet

Once you are logged in to the Intranet, your name will appear in the centre of the screen and below that there will be links to 'Assessment Feedback' with the number of items of feedback to view. Remember your marks on the Intranet are UNRATIFIED and therefore possibly subject to change.

2. E-Vision – Ratified Marks and more

When marks are finalised they are posted on the E-vision system at <https://e-vision.tees.ac.uk>. Log in with the same details you used for the Intranet. Then click on the 'Your Results' tab to view your marks.

The screenshot shows the e-Vision student home page. At the top, there are logos for Teesside University, 'THE AWARDS UNIVERSITY OF THE YEAR', and 'e-Vision'. Below these are navigation tabs: Student Home Page, Edit Your Details, Registration & Re-enrolment, Your Results, Graduation, and Logout. The main content area is titled 'Home Page (Student)'. It features a 'Hello Paul' greeting, a 'Your Messages' section with a table showing a message from 22/Apr/2010, 'University Notices' for 'The National Student Survey' and 'Message for Postgraduate Taught Students', and a sidebar with links to Home, Edit Your Details, View Your Results, Register Online, Re-enrol Online, Your Graduation Ceremony, University Fees Information, University Term Dates, Assessment Review Process, Unity, Your university e-mail account, and Blackboard. The footer contains copyright information for 2010 University of Teesside.

E-vision can also be used to notify Teesside University of any changes to your details such as contact address or name.

You do this by using the 'Edit Your Details' tab. It is often a good idea to tell us if you move house as any qualifications will be posted to the address we hold for you, merely telling your employer may not guarantee the University is informed.

Remember to log out of any system when you have finished.
